

A Competency Framework for Pharmacy Practitioners: General Level

Practitioner name:.....Date of GLF completion:

Assessor name:.....Designation e.g. Practice Tutor.....

Information on completion

Practitioners should complete a self-assessment prior to completing the summary form below. Assessment against all four clusters should be completed every 12 months as a minimum by an assessor such as a Practice Tutor or line manager. Those undertaking formal Post Graduate education must complete GLF assessments in accordance with the requirements of the relevant academic institution. Where local guidance exists, more frequent completion of the GLF may be required.

Summary of GLF Appraisal

For Practitioner to complete with respect to their confidence: Please indicate how you feel you are performing in the following areas by marking the appropriate circle:
